SECTION 132 DECLARATION OF SECONDARY CONSIDERATIONS BASED
UPON COMMERCIAL SUCCESS OF THE CLAIMED SUBJECT MATTER

I, Robert Stidd, hereby declare:

I am the Applicant and Inventor herein, and I am familiar with the claimed subject matter of the above identified patent application.

I make this Section 132 Declaration in support of the fact of the commercial success of the claimed subject matter of the above identified patent application. The products which comprise the claimed subject matter are licensed to Race City RV Products, LLC., of Mooresville, NC which sells the products.

The subject matter of the above-identified patent application, as in the pending claims, began sales in the fourth quarter of the year 2003. From that time, the tandem tow trailers, as claimed in the above-identified patent application, went from sales of \$14,679 in 2003 to \$222,231 in 2004, to \$333,124 in 2005, to \$371,682 in 2006 and \$511,456 in 2007, with total cumulative sales of \$1,453,172 since their introduction in 2003 (more than a hundred-fold increase).

Commercial Sales Success Information:

Sales 2003	5 Trailers	\$14,679
Sales 2004	62 Trailers	\$222,231
Sales 2005	79 Trailers	\$333,124
Sales 2006	79 Trailers	\$371,682
Sales 2007	104 Trailers	\$511,456
Totals:	329 Trailers	\$1,453,172 (Total Sales 2003-2007)

As noted above, sales of tandem tow trailers have steadily increased from 5 trailers in 2003 to 104 trailers in 2007, for a total of 329 tandem tow trailers.

The above sales attest to the rapid commercial success of the dated subject matter.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
